HOME

The Maitree Anm Nursing Training Institute is a unique nursing school in kumhrar , Patna established by its run by "**Nilam Education Foundation Trust**" -is a non-profitable society in Bihar.

Our aim is to prepare **Nurses ANM** to practice comprehensive nursing care in hospital as well as in the community by means of a planned education program..

Maitree Anm Nursing was established in year 2019 with an aim of providing job oriented education to the women section of the society. Since its inception, the institute has progressed a lot in terms of quality of education, infrastructure and facilities.

The Institute's infrastructure is well furnished with all modern facilities. All labs are equipped with latest equipments.

Nursing offers a challenge and opportunity to serve a fellow being. If you have the zeal and desire for nursing, you are invited to choose this noble profession.

It is also the fundamental right of every human being on this earth. Maintenance of optimum level of health entails individual as well as well as social responsibility. However health can never be adequately protected by health services without active involvement at community level.

We believe that **ANM** plays a vital role in rural care delivery system. She has to be sensitive and accountable to meet the health needs of the community.

ABOUT US.

The Maitree Anm Nursing Training Institute aims to provide a nurturing, learning environment to enable students to become responsible citizens, life-long learners and good communicators through a challenging curriculum. The well researched, project based international learning methodology of the school is designed to prepare students to excel in the world's finest school.

Nursing & midwifery (**A.N.M**) according to the revised syllabus of State Government and Bihar Nursing Registration Council (B.N.R.C.).

The Organization has excellent infrastructure with a hard working & versatile principal & a team of dedicated faculty. The School suppose to provide academic excellence & all around personality development to the students of nursing.

Chairman's Message..

Dear Friends,

Director's Message

Maitree Anm Nursing Training Institute is the most important field of study in Nursing & midwifery (A.N.M.) field. A paramedics is the backbone in the treatment of any patient and any hospital Administration. He is a catalyst in the treatment procedure. I began this institute with a aim to equip my student with the best practices in paramedics & nursing, so that they could serve their part towards humanity, and am happy to state that, today, the student's of my institute are reckoning the name of their institution in all parts of the country.

We provide real-time internship to our students, followed by instant placements. We have tied-up with all Care in setting-up & running dialysis centre, of our own, with a view to providing enhanced kidney-care to patients and a chance for a cutting-edge internship to our students.

Our mission is of 'self-paced, self-styled learning and to provide ultimate convenience, ease and flexibility to our students. We seek self-motivated individuals who believe in charting their own methods of learning, who take full advantage of the opportunities, and are willing to contribute their very best.

Maitree Anm Nursing Training Institute is an initiative to create the finest nursing professionals. Our aim is to contribute to the healthcare industry and through it society in general, by establishing the Academy as a learning centre of international repute.

I warmly look forward to your continued support for our endeavors.

With best wishes,

Maitree Anm Nursing

VISION & MISSION

The vision & mission of Maitree A.N.M. Nursing Training Institute and Para Medical is to emphasis on our students to have zeal for significance achievements and set high standards in the field of nursing. We intend to care for quality infrastructure, quality facilities and quality teaching.

OUR VISION

Develop an attitude and provide the necessary knowledge and skills, to offer our students a world class comprehensive nursing care to patients in every situation and overall illnesses.

To educate and train our students to practice and teach their patients the principle of health care and healthy living. To teach our students to work in coordination with the medical and paramedical departments in various programmes for prevention of diseases and promotion of good health in community.

To create and academic atmosphere within the group and improve the quality of nursing in the field.

To develop our students as individuals who will be conscious and responsible to their profession and the country.
